Art Unit: 3635

Allowable Subject Matter

1. Claims 1-40 are allowed.
2. The following is a statement of reasons for the indication of allowable subject matter: the prior art of record fails to teach the use of adjacent floor panels being interconnected by locking elements located within a groove formed on the underside of the panels; wherein displacement of the panels is allowed in a direction of the joint formed between the adjacent panels so as to allow the locking element to be released from the groove when the panel is rotated about the joint formed between the adjacent panels.
3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Yvonne M. Horton whose telephone number is (703) 308-2168.
